**08 Continental Web Press** moves press checks from the plant floor to the home

**16** We all have an impact

**18 Schattdecor**, global market leader in decor printing designs a new automated workflow for its digital presses

**24 DUO:** Keeping close and personal contact with users is in **DALIM SOFTWARE's** DNA

**26 IGS-CP** the beautiful book in digital transition

**34 API First:** Transforming Your Workflow by David L. Zwang

**40 Wright Business Graphics'** prepress evolves

**44 thelab:** A successful proving ground for efficient, collaborative and production workflows

**48 Allied Printing** evolves as the industry and the world changes

Just as the world realizes how crucial it is to preserve our natural resources, **DALIM SOFTWARE** has, since 2014, converted its energy to 100% sustainable sources. Hydroelectricity is now at the origin of all the software products we create and commercialize.
